How kosher is your GPS device?

Posted by Adam Wills

Tired of driving around looking for a place to daven or grab a kosher nosh?

If you've got a Tom Tom, Magellan or Garmin GPS device in the United States or Canada, an \$18 add-on features more than 1,000 restaurants and more than 2,000 Orthodox minyanim in the USA and Canada. For more information, check out [KosherRestaurantsGPS](#).
